## INDEPENDENT AUDITORS' REPORT

To the Board of Directors of  
SeaChange Capital Partners, Inc.  
New York, New York

### Opinion

We have audited the accompanying financial statements of Seachange Capital Partners Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2024, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Seachange Capital Partners Inc. as of December 31, 2024, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Seachange Capital Partners Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Seachange Capital Partners Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Seachange Capital Partners Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Seachange Capital Partners Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

#### **Report on Summarized Comparative Information**

We have previously audited the SeaChange Capital Partners, Inc. 2023 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated August 22, 2024. In our opinion, the summarized comparative information presented herein for the statement of functional expenses for the year ended December 31, 2023, is consistent, in all material respects, with the audited financial statements from which it has been derived.

## NOTES TO FINANCIAL STATEMENTS

### NOTE 1 - NATURE OF ACTIVITIES

SeaChange Capital Partners, Inc. ("SeaChange"), a Delaware corporation, was formed on June 28, 2006 and is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. SeaChange helps nonprofits navigate complex financial and organizational challenges and is a partner of choice for funders seeking to help. Nonprofits are critical, yet the deck is stacked against them— they're under-resourced and have inadequate outside support. We use our experience, financial resources and connections to help nonprofits navigate complex challenges while creating new ways for funders to support them.

SeaChange launched in early 2008 with support from the Bill & Melinda Gates Foundation, Omidyar Network, the William and Flora Hewlett Foundation, the Surdna Foundation, Goldman Sachs, and a group of individual philanthropists. After an initial focus on education and youth development through the Catalyst Fund (2008-2016), SeaChange expanded into sustained collaboration with the SeaChange-Lodestar Fund for Nonprofit Collaboration (2009-present), the New York Merger and Collaboration Fund ("NYMAC," 2012-present), the Greater Philadelphia Nonprofit Repositioning Fund ("Nonprofit Repositioning Fund," 2018-present), and the Transformational Partnerships Fund (2020-present); "into credit with the Contact Fund (2013-present) and the SeaChange Special Impact Fund LLC (2020-present) and the New York Shelter Acquisition and Pre-Development Fund (2023-present); and into impact investing with The New York Pooled PRI Fund ("NYPRI," 2014-present) and The New York Impact Opportunities Fund, LLC (2021-present)"

NYPRI and the Contact Fund are both separate legal entities; SeaChange serves as the Managing Member of NYPRI and manages Contact Fund pursuant to a management services agreement. NYMAC, the Catalyst Fund, the SeaChange-Lodestar Fund for Nonprofit Collaboration, the Nonprofit Repositioning Fund, and the Transformational Partnerships Fund are grantmaking programs of SeaChange that are referred to as "funds" because each has a distinct set of philanthropic funders to whom certain governance rights have been granted. None of these five programs are distinct legal entities.

In 2011, SeaChange began providing analysis and advice (i.e. Consulting) in response to requests from nonprofits and funders. Our work will continue to evolve in response to changes in the environment, feedback from the market, and reflection on our accomplishments and challenges. SeaChange also regularly releases reports analyzing major issues for the nonprofit sector, as well as opinion pieces in various publications.

During 2024, SeaChange made grants to support 48 sustained collaboration grants: NRF (14), NYMAC (11), SC-LS (16), TPF (7) compared to 42 total grants funded in 2023. SeaChange had a staff of 8 full-time employees in 2024 and 8 in 2023.

### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Basis of Presentation

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP"). Net assets and revenues, gains and losses are classified based on the existence or absence of donor- imposed restrictions. Accordingly, net assets of SeaChange and changes therein, are classified and reported as without donor restrictions and with donor restrictions.

#### Cash and Cash Equivalents

Cash and cash equivalents consist of cash and short-term investments with a maturity of three months or less, at the time of purchase.

#### Promises to Give

SeaChange records unconditional promises to give that are expected to be collected within one year at net realizable value. Unconditional promises to give expected to be collected in future years are initially recorded at fair value using present value techniques incorporating risk-adjusted discount rates designed to reflect the assumptions market participants would use in pricing the asset. In subsequent years, amortization of the discounts is included in contribution revenue in the statements of activities.

# SEACHANGE CAPITAL PARTNERS INC.

## NOTES TO FINANCIAL STATEMENTS

### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### **Promises to Give (Continued)**

Management determines the allowance for uncollectable promises to give based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Promises to give are written off when deemed uncollectable. At December 31, 2024 and 2023, the allowance was \$74,011 for each year.

#### **Investments**

SeaChange carries its investments at fair value in the statements of financial position. Unrealized gains and losses are included in the change in net assets in the accompanying statements of activities. Securities transactions are reported on a trade date basis.

#### **Property and Equipment**

SeaChange records property and equipment additions over \$1,000 at cost, or if donated, at fair value on the date of donation. Depreciation and amortization are computed using the straight-line method over the estimated useful lives of the assets ranging from 5 to 7 years, or in the case of capitalized leased assets or leasehold improvements, the lesser of the useful life of the asset or the lease term. When assets are sold or otherwise disposed of, the cost and related depreciation or amortization are removed from the accounts, and any resulting gain or loss is included in the statements of activities. Costs of maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed currently.

#### **Net Assets**

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor- or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

*Net Assets Without Donor Restrictions* – Net assets available for use in general operations and not subject to donor- (or certain grantor-) imposed restrictions. The governing board has designated, from net assets without donor restrictions, net assets for an operating reserve and board-designated endowment.

*Net Assets With Donor Restrictions* – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. We report contributions restricted by donors as increases in net assets with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends, or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statements of activities as net assets released from restrictions.

#### **Grants Payable**

SeaChange records grants payable when the grants are approved by the Board of Directors. All grants made are in accordance with the terms of the various governing instruments and are subject to the approval of the Board.

#### **Revenue and Revenue Recognition**

SeaChange recognizes contributions when cash, securities or other assets, an unconditional promise to give, or a notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met.

# SEACHANGE CAPITAL PARTNERS INC.

## NOTES TO FINANCIAL STATEMENTS

### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### **Donated Services and In-Kind Contributions**

Volunteers contribute significant amounts of time to our program services, administration, and fundraising and development activities; however, the financial statements do not reflect the value of these contributed services because they do not meet recognition criteria prescribed by generally accepted accounting principles. Contributed goods are recorded at fair value at the date of donation. SeaChange records donated professional services at the respective fair values of the services received. No significant contributions of such goods were received during the years December 31, 2024 and 2023. SeaChange received \$147,820 and \$123,659 in donated legal services during the years ended December 31, 2024 and 2023, respectively.

#### **Transfers of Assets to a Not-for-Profit Organization That Raises Contributions for Others**

U.S. GAAP establishes standards for transactions in which an entity ("the donor") makes a contribution by transferring assets to a not-for-profit organization ("the recipient organization") that accepts the assets from the donor and agrees to use those assets on behalf of or transfer those assets, the return on investment of those assets, or both to another entity ("the beneficiary") that is specified by the donor. The guidance requires a recipient organization that accepts cash or other financial assets from a donor and agrees to use those assets on behalf of or transfer those assets, the return on investment of those assets, or both to a specified unaffiliated beneficiary to recognize the fair value of those assets as a liability to the specified beneficiary concurrent with recognition of the assets received from the donor.

#### **Functional Allocation of Expenses**

The costs of program and supporting services activities have been summarized on a functional basis in the statements of activities. The statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Expenses that can be specifically identified with a program or support service are allocated directly according to their natural classifications. Other expenses that are common to several functions are allocated based on estimates made by management.

#### **Income Taxes**

SeaChange is organized as a Delaware nonprofit corporation and has been recognized by the IRS as exempt from federal income taxes under IRC Section 501(a) as an organization described in IRC Section 501(c)(3), qualifies for charitable contribution deductions under IRC Sections 170(b)(1)(A)(vi), and has not been determined to be a private foundation under IRC Section 509(a)(1). SeaChange is required to file an annual Return of Organization Exempt from Income Tax (Form 990) with the IRS. In addition, the entity is subject to income tax on net income that is derived from business activities that are unrelated to its exempt purposes. Management has determined that SeaChange is not subject to unrelated business income tax and therefore has not filed an Exempt Organization Business Income Tax Return (Form 990-T) with the IRS.

SeaChange recognizes the effect of income tax positions only when they are more likely than not to be sustained. Management has determined that SeaChange had no uncertain tax positions that would require financial statement recognition or disclosure.

#### **Use of Estimates**

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. The most significant estimates and assumptions relates to the determination of the allowance for doubtful accounts, depreciation and functional expense allocation. Actual results could differ from those estimates.

## NOTES TO FINANCIAL STATEMENTS

### NOTE 3 – LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

SeaChange generates financial assets through contributions from foundations and individuals, management fees for its grantmaking and lending activity, and on a more limited basis, select consulting engagements. The financial assets are acquired throughout the year to help meet SeaChange’s cash needs for general expenditures.

The following table presents SeaChange’s financial assets available for general expenditures within one year of the financial position date:

	2024	2023
<b>Current assets as of December 31, excluding non-financial assets</b>		
Cash and cash equivalents	\$ 2,876,073	\$ 1,874,465
Pledges receivable, net	1,091,173	693,333
Due from The Contact Fund, LLC	712	101,750
Investments at fair value	5,151,776	5,147,129

<b>Financial assets available to meet cash needs for general expenditures within one year</b>	<b>\$ 4,322,862</b>	<b>\$ 3,376,335</b>

### NOTE 4 – PROMISES TO GIVE

Unconditional promises to give are estimated to be collected as follows at December 31, 2024 and 2023:

	2024	2023
Promises to give due in less than one year	\$ 1,091,173	\$ 693,333
Promises to give due in one to five years	100,000	658,333
Total promises to give	1,191,173	1,351,666
Less: allowance for uncollectible promises to give	(74,011)	(74,011)
Promises to give, net	\$ 1,117,162	\$ 1,277,655

At December 31, 2024 and 2023, three donors accounted for approximately 91 percent and two donors accounted for approximately 95 percent of total promises to give, respectively. Three contributors accounted for approximately 50 percent and two contributor accounted for approximately 55 percent of total contribution revenue for the years ended December 31, 2024 and 2023, respectively.

## NOTES TO FINANCIAL STATEMENTS

### NOTE 5 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

SeaChange prioritizes the inputs to valuation techniques used to measure fair value. In accordance with ASU No. 2015-07, investments that are measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy.

When SeaChange believes that the reported net asset value per share (or its equivalent) of an investment is not representative of fair value, SeaChange categorizes the investment in accordance with ASC 820, Fair Value Measurements and Disclosures.

The three levels of the fair value hierarchy under FASB Accounting Standards Codification are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that SeaChange has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

- U.S. Treasury Securities: Consist of U.S. treasury bonds The U.S. treasury bonds are traded in an active market given the high level of daily market trading volume and therefore are classified as Level 1.
- The New York Pool PRI Fund, LLC, The Contact Fund, LLC and The New York Opportunities Impact Fund, LLC: Valued at the net asset value (“NAV”) of the units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the investments held less its liability. This practical expedient is not used when it is determined that the investment will be sold for an amount different than the reported NAV.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while SeaChange believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

### NOTE 8 – CONCENTRATIONS OF CREDIT RISK

Financial instruments that potentially subject SeaChange to concentrations of credit risk consist principally of cash and cash equivalents and pledges receivable. SeaChange maintains its cash accounts with a financial institution. At times during the year cash balances are in excess of federally insured amounts of \$250,000. Cash and cash equivalents exceeding FDIC insurance coverage were \$2,326,277 and \$1,282,992 at December 31, 2024 and 2023, respectively. SeaChange has not suffered any losses due to the uninsured amount. However, almost all of SeaChange's cash equivalents are in what management believes are the most conservative possible investments, United States Treasury instruments.

### NOTE 10 – RETIREMENT PLANS

SeaChange has a 403(b) retirement plan (the "403(b) plan") as of October 2007. Upon employment, an employee may elect to defer income into his/her/their retirement account. When an employee has completed six months at SeaChange, the firm will contribute 5% of the amount of his/her/their salary each pay period to his/her/their retirement account. The percentage will be prorated for a part-time employee to the percentage of the work week they are employed. In addition, an employee can contribute up to 5% of his/her/their salary to the 403(b) plan and SeaChange will match the contribution. Each employee is fully vested from the outset in the matching contributions. The 403(b) plan's expenses for the years ended December 31, 2024 and 2023 amounted to \$82,284 and \$66,550, respectively.

SeaChange also has a non-qualified 457(b) retirement plan (the "457(b) plan") for eligible employees. No expenses were incurred for the years ended December 31, 2024 and 2023 for the 457(b) plan.

### NOTE 11 – RECLASSIFICATION

Certain reclassifications have been made to the 2023 presentation to conform to the format used in 2024. The reclassifications have no effect on the change in net assets for 2023.
